OPPORTUNITY OVERVIEW

International Trade Park Houston (ITPH) is a 136-acre master-planned development at 12000 Bissonnet Street, Houston, TX — positioned for industrial, retail, and multifamily land sales across 30 developable lots. Infrastructure development includes water distribution, sanitary sewer, storm sewer, roadway, and erosion control. MUD bond reimbursement of \$23.4M provides a capital recovery mechanism covering 64.6% of the development budget. The project seeks \$11.4M in equity to fund land acquisition and horizontal development against \$61.2M in projected lot sale revenue.
